CONSOLE TIPPING COMPETITION

BECOME THE OFFICE HERO

With the Footy season just around the corner, it's time to put your money tips where your mouth is.

I have started a NRL tipping competition on footytips.com.au and I'd like to invite you to get involved. It's all a bit of fun, free to join and more about the bragging rights than anything else.

So if you think the Broncos are going to be unbeatable, that the Storm will rebound from last year's woes, or perhaps you are one of those hopeless cases who believe the Sharks can make the finals, then join up today and get ready for a great season of Rugby League.
